

KCJS Japanese Language Program

Mission Statement

The mission of KCJS Japanese Language Program is to assist students to enrich their lives by using Japanese for personal, academic and/or professional endeavors, and for establishing a relationship with members of Japanese society.

Vision Statement

KCJS is dedicated to achieve this mission by:

- Enhancing the student's communicative competence;
- Encouraging students to establish their own learning strategies for life-long Japanese learning;
- Developing student's ability to express themselves creatively in Japanese;
- Enhancing student's ability to see different cultures including one's own objectively and relatively;
- Fostering cognitive skills to find and solve problems.
